## Overview

MAXX means greater performance without the extra weight. Specially developed chemical sorbent, yellow colour-coded for safety and easy separation of hazardous waste, medium weight pad. Does not react with aggressive fluids.

- Surfactant-treated, brightly coloured absorbent picks up a wide range of aggressive chemicals while remaining chemically inert
- Medium weight - optimal for most general maintenance needs
- Perforations provide cost control and reduce waste by allowing you to use only what you need
- Printed Message: Warns of slips, trips and falls
- Bright Colour: Warns of presence of leaks, drips or spills even in low light
