

M1 - LUBRICANT

SPRAY

M1® produces a micro-thin, airtight coating that simultaneously dries as it protects, avoiding dirt, grime, etc. It dries and will not attract dirt, dust or other contaminants as other leading lubricants do.

DRUM

- Silicone-free
- Stands up to extreme temperatures
- Penetrates quickly to free frozen nuts, bolts and metal parts
- Removes grease, tar and grime from metal parts and painted surfaces
- Cleans and polishes for lasting protection

DISPLAY

- Ideal for display at cash registers
- Very easy and practical to display
- Versatile and can be fixed at strategic points
